Nuts and Bolts of the AEPS ® • Two separate developmental levels - Birth to Three (0-36 months) - Three to Six (36-72 months) • Can be used successfully with different populations - Children with disabilities - Children at risk - Children who are typically developing

Assessment, Evaluation, and Programming System (AEPS)

In this first edition, the AEPS for Birth to Three Years was composed of a test (AEPS Measurement for Birth to Three Years) and an associated curriculum (AEPS Curriculum for Birth to Three Years). The success of the AEPS Test and Curriculum for the developmental range from birth to 3 years served as the major impetus for expanding the AEPS to cover the developmental range from 3 to 6 years.

AEPS Linked System

This first volume of the Assessment, Evaluation, and Programming System (AEPS) Test and its associated curriculum, describes the AEPS measurement components for the developmental range from birth to 6 years.
