The direct method of teaching English is also known as the Natural Method. It's used to teach a number of different languages not just English, and the main idea of the Direct Method is that it only uses the target language that the students are trying to learn. Its main focus is oral skill and it is taught via repetitive drilling.

### **English Teaching Methods | Teach English Abroad**

The deductive approach is the most traditional method of grammar teaching. Basically, the teacher explains the rule, usually in L1, and then has the students practice some examples. If a teacher was teaching comparatives using this method, adjectives would be given and translated into the students' first language.
