BRIDGEPORT - machine tools

Bridgeport Series 2 were basically custom built machines. They were never put on an assembly line, like the Series 1 machines were. It is very rare for one of either of the Series 2's to have been built with errors, blemishes or mishaps. With proper care and maintenance as described in manual, there is seldom need for service this Bridgeport machine.

Bridgeport Series II Vertical Milling Machine For Sale - Sold

Bridgeport Series 2. The series 1 was a general-purpose machine that was a great fit for small repair shops and schools. It was rigid for its size, and definitely accurate. But some people wanted more muscle. The Series 2 from Bridgeport was quite literally double the size and weight. This was designed for shops that needed to remove a lot of material fast.
