Introduction. The traditional translation of Genesis 1:1 is well known, "In the beginning God created the heavens and the earth." It is called the traditional translation because it has been the dominant rendering of Genesis 1:1 since the Greek Septuagint, the first major translation of the Hebrew Bible (into Greek), produced by Jewish scholars in the third century BC.

Of the making of many translations and commentaries on the book of Genesis there is no end. After all, the book of Genesis contains not only two of the Western world's most enduring myths of creation but also chronicles the history of early Israel.

Genesis: Translation and Commentary on Apple Books

Robert Alter translates the Book of Genesis without religious commentary, asserting that any interpretation by a translator is a heresy. He provides hundreds of pages of notes on his translation and cultural references. Genesis itself is easy to divide into two parts. Chapters 1 - 11 cover the creation through the dawn of primordial humans.
