Study 12 lab3 flashcards from sarah e. on StudyBlue. opium was a great problem for several centuries in china. true or false? in alcohol abuse, physical dependence is more pronounced than in alcoholism.

lab3 - Geology 103 with Johnson/ta at Arizona State ...

GLG 103 is taught by TAs. Mine was extremely helpful, but I've heard mixed reviews from others. The lab manual can be vague and slightly confusing, but it doable with some assistance. Some labs are interesting, others are painfully boring. GLG101/103 is a solid science class to take if you're not in STEM. Just pray for a good TA.
