I can't tell you what compelled me to purchase and read porn star (or "anal queen", in Akira's own words) Asa Akira's "Insatiable: Porn - A Love Story". Insatiable: Porn - A Love Story | Book Report

“ Insatiable: Porn—A Love Story is not for the puritanical. A hyper-sexual narrative of the author’s experiences making adult films, the memoir itself is itself pornographic. Its tone is celebratory, because Akira sees her career not as a descent into objectification but as a rise to celebrity.”
