### **Project MUSE - Latin America Transformed: Globalization**

...

The 1980s were dubbed Latin America's "lost decade" after a debt crisis ravaged the continent's economies. New openness to capital and trade was then supposed to bring economic salvation in the 1990s — but few countries saw sustained development.

### **Latin America and Globalization - The Globalist**

Latin Americans are not wholly uncritical of the United States and globalization. For example, President George W. Bush and the Iraq war were deeply unpopular in the region.
