Middle East Contemporary Survey

The relevance of Western political modes for Middle Eastern societies was again raised for examination, highlighting the formidable complexities of such options. One of the local responses to these changes was a surge of Islamic sentiment—sometimes militant in nature—manifested primarily in Sudan, Algeria, Jordan, Egypt, and among the ...

Surveying the Middle East - Harvard University

Established in 1977, the Middle East Contemporary Survey (MECS), a unique annual record of political developments in the Middle East, is acknowledged as the standard reference work on events and trends in the region. Designed to be a continuing, up-to-date reference for scholars, researchers and analysts, policymakers, students and journalists, it examines in considerable detail the rapidly changing Middle Eastern scene in all its complexity.

Middle East Contemporary Survey: Vol. II, 1977-78 For those who know it, and can afford it, this annual has become a rich source of information on the contemporary Middle East. But even with its great bulk, constraints of space mean that some subjects receive but minimum coverage (e.g., five pages on Soviet policy in the region).
