Models of My Life. As befits a world-class theorist, Herbert Simon's MODELS OF MY LIFE is more explicit than most autobiographies in establishing at the outset the structural principles governing his telling of his life. Describing his life as a maze or series of mazes, Simon is consciously playing against preconceptions.

Models of My Life Quotes. "The greatest asset of the university has been its capacity for innovation. That capacity, in turn, rests partly on its traditions of small size, weak interdepartmental boundaries, and solid administrative support (or at least hunting licenses) for entrepreneurial undertakings." "I resolved to major in economics,..."
