Multidimensional Man

VISTAS OF INFINITY goes further than ever before into the Afterlife States. A follow up to Multidimensional Man it covers the seven years after its publication, drawn from reports of over sixty hours spent in hyper lucid Out-of-Body states of consciousness. New insights into life after death and detailed accounts of the Heaven worlds.

Astral Travel and life after death

For a book that explores the realms of life after death, Multidimensional Man is a very down-to-earth exploration that will inspire anyone from atheists and skeptics to those with an interest in psychology, metaphysics and the sublime to explore the realms accessible through altered states of awareness.

Without going into too much detail here “ Multidimensional Man ” devotes 20 pages of descriptions under the chapter “ The earth-like dimensions” with numerous examples.) Since writing the book, however, I have had the chance to gather new information.

Life after death on the lowest ... - MULTIDIMENSIONAL MAN

This kind of awareness, the attention to the Present, is part of meditation which spills over into everyday or everynight life. So the book is also about awareness and how this awareness can take us into the deeper states of consciousness and to our ultimate realisation, which forms the final chapter of the book.
