Welcome to the easiest year of your life. First off let me say that if you are reading this guide, you are already expecting too much of pre-med. It's a year to relax after the Leaving Cert. You don't really need to spend any money on books, just entertainment, for the year.

UCD Medical Society | Pre Med Survival Guide

MED (Mechanisms of Disease): The title is intentionally vague, because this module doesn't really have any one subject - it's just a cluster of little ones. Basically, it's made up of Pharmacology, Pathology and Microbiology, with a similar number of lectures for each.

UCD Medical Society | Pre Med Survival Guide

Pre-med Survival Guide. In 2008, only 45.6 percent of medical school applicants were accepted into at least one school. Although most laymen know how rigorous medical school curriculum, many people do not realize building a resume and being accepted into a medical school is just as difficult, if not more so.

Pre-med Survival Guide - stethoscopemagazine.org

Welcome to 1st Med. No congratulations on getting here will be offered, let's be honest, pre-med was pretty easy. The craic will die slightly this year from last year (that much craic couldn't last any longer...), but don't take it too seriously either, you're still technically a first year and you should act like one!
